Objective : I'm a self motivated and most passionate towards my work currently pursuing B.Tech learning and achieving excellence. Seeking a position to utilize technical skills further to engage in projects and also some researches to contribute challenging academic environment.

EDUCATION :

- . Bachelor Of Technology in Computer Science and Engineering
SRM UNIVERSITY, ANDHRA PRADHESH
Expected Graduation : 2026
- . Higher Seconday Education (Intermediate)
12th grade (Year of Passing : 2022)
Vignan Junior College, Vadlamudi
Marks : 79.6%
- . Secondary Education :
10th grade (Year of Passing : 2020)
Sri Chaitanya School, Guntur.
Marks : 600/600.

SKILLS :

- . **Proficient in C, C++**
Developing : Python
Learning : HTML,CSS and JavaScript.
- . Effective Communication and Presentation
Analytical Skills, Problem- solving skills.
- . **Data Structures and Algorithms**
Learning Data Structures and Algorithms that are applied for effective problem-solving skills and optimization.
- . **Areas of Interest :**
Cloud Computing applications
Research of Cloud Web applications.

PROJECTS :

▪ **Contact Management System** : It provides various facilities like reading from a file, add, sort, modify, remove and print a contact list is easy to operate. It is utilized intermediate C++ concepts like Data Structures and file handling for reading and writing a contact list.

▪ **Super Market Billing System** : A team of 5 along with me joined hands in developing Super Market Billing System using Object-Oriented Programming (OOPs) concepts. This system provides an efficient and user- friendly solution for managing various Super Market Operations including Inventory Management, billing and customer information.

▪ On the relatable experience on working with **HTML, CSS and JavaScript**, I have created some basic web pages that are useful in our day to day life.

CERTIFICATIONS :

▪ **Foundations on Cyber Security** :

It mainly includes Confidentiality, integrity and non - repudiation. It explores the impact of Cyber threats on malwares, phishing and social engineering attacks. It also provided me hands-on technical training, industry recognized certifications and interactive training sessions with world class instructors and experts.

▪ **Great Learning** :

I have been certified by Great Learning in finishing my courses on Data Structures and Algorithms and also languages of C and C++.
